BULL is a part of 50 years old India based "AV Engineering group" BULL has 2 Divisions: Tractor Attachment Division & Construction Equipment Division.

BULL is the Leader of Tractor attachment Business in India with more than 30000 Tractor Mounted Loaders & Backhoes running in the India and overseas. BULL manufacture Tractor attachment over two decades & introduced 42 bucket options with BQRSLS techniques which are utilized by various customers used for multiple segments across various industries.

BULL ventured into dedicated Construction Equipment Business with Launch of world's first 6.5 Ton SMART 60 Backhoe Loader in the year 2011. In construction equipment, BULL manufactures a complete range of Backhoes Loaders, Loaders, Compact loaders, skid loaders & self lading concrete mixers

We are looking for dealers/ channel partners across the nation and overseas also.
